A SMART INVENTION

FROM JAPAN

NOW AVAILABLE IN AUSTRALIA

AND NEW ZEALAND

ONE OF THE FIRST THINGS a traveller to Japan will encounter is the **Bidet toilet seat**.

A standard in most homes and hotels, with just the push of a button the Bidet will wash you clean with warm water and then dry you off with a gentle stream of warm air.

Now you can have it in your home just by taking off your old toilet seat.

Find one to suite your bathroom and budget.

It only takes minutes to install!
